

- TASTE THE DIFFERENCE -

MODEL CS700

Designed to serve a premium, high quality milkshake, the dispense head mounted mixer allows you to blend as many flavours as required. If you want to serve the highest quality milkshakes—this is the machine for you.

The Electro Freeze Advantage

- **Exclusive Beater Design** gently blends, reducing agitation and maintaining product quality and consistency
- **Consistency control** designed to dispense the finest frozen product available
- **Air Filter** washable filter keeps the condenser clean
- **Compact Design** with small footprint
- **Experience Tells** Electro Freeze has been manufacturing quality frozen treat machines since 1929.
- **All New Electro Freeze Milkshake Machines** are supplied in the U.K. with a **Three Year Parts & Labour Warranty**.

Optional

- **Flavor Rack**
- **Splash guard** (as shown)
- **Top Air Discharge Chute** the top air discharge chute on air cooled models allows units to be set side by side and air flow to be diverted up.
