

MECI Product Range

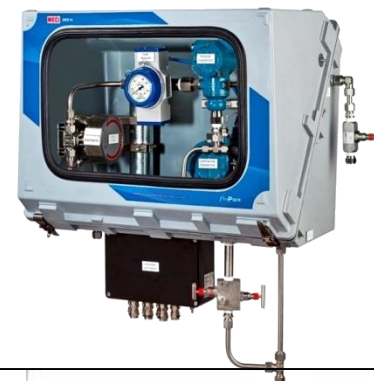

CDN16 Flow Computer

DES16 Densitometer

transducer

CDV15 on site gas flow computer

CDV15-3 P, PT, PTZ

CDV15-4
DEPRIMOGENE

PES15 Chromatographe and Calorimeter

Natural Gas analyzer

Calorimeter

LOG15 Data Logger

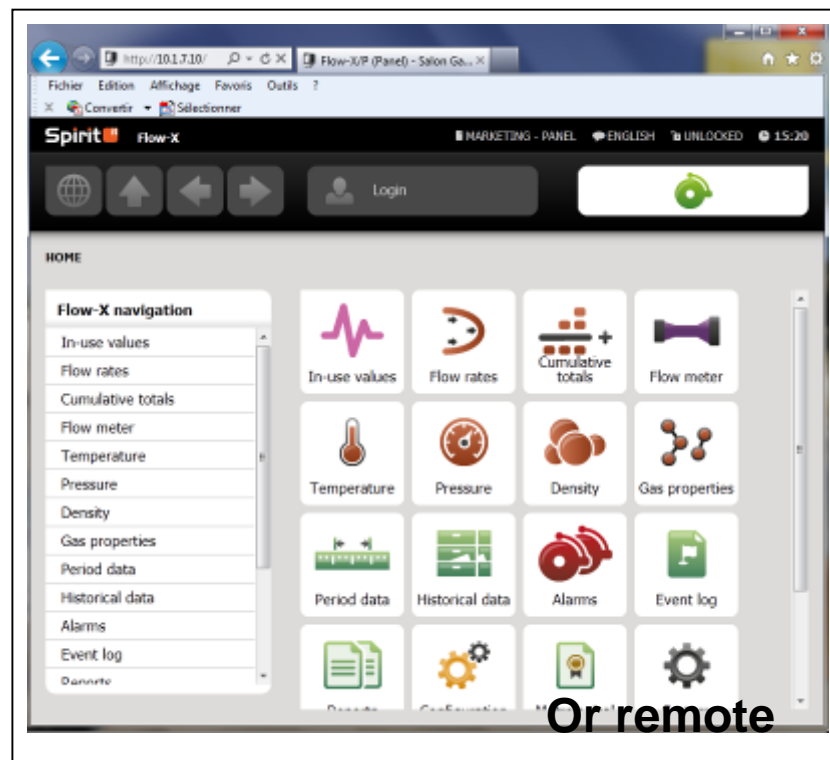

SM@RT U Remote management

GPRS/3G

The CDN16 the improved and optimized version by MECI of the Flow-X

MECI CDN16 Flow Computer

CDN16/M

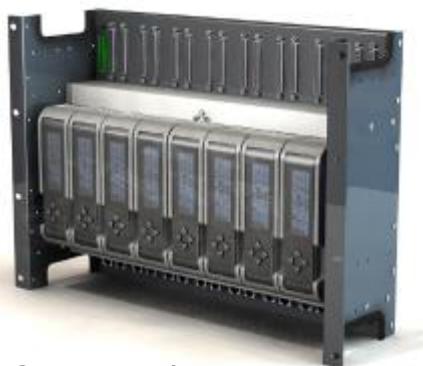

CDN16/S

CDN16/P

CDN16/T

CDN16/R

MECI CDV15 field gas Flow Computer

CDV 15-3: gas volume corrector for turbine and ultrasonic flow meters

CDV 15-4: gas flow computer for differential pressure system (ΔP)

Innovative concept:

On-site maintenance with no impact on accuracy and certification:

- ✓ Change of pressure captor
- ✓ Change of temperature probe
- ✓ Change of electronic box

High level functionalities:

- ✓ Chromatograph management for energy measurement
- ✓ High accuracy
- ✓ No impact of temperature variations
- ✓ Compatible with supervisory
