By **Cecilware**

Solid. Efficient. Reliable.

Introducing the newest members to the Cecilware family, the HWD-3 and HWD-5, the cost-effective, heavy-duty hot water dispensers for your high volume food preparation needs.

HWD-5

HWD-5PC

These cost-effective workhorses put hot water dispensing instantly at your fingertips - easily and efficiently. Be it the 3 or 5 gallon model, its large capacity tank has the capability of providing small to large quantities of hot water instantly, making it an ideal solution for hundreds of food application needs including: the preparation of soups, gravies, sauces, noodles, teas, potatoes and pastas.

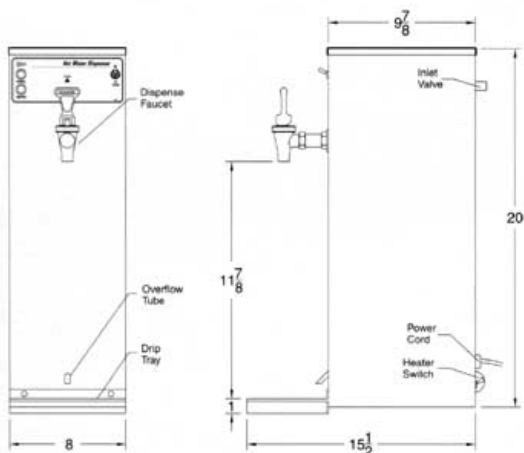

However, if limited counter space is a challenge, then try our compact hot water dispenser. Only 8" wide, the HWD-2 is perfect for your dispensing needs in those small to fit areas.

With so many models to choose from, you can trust Cecilware to meet your specific dispensing needs.
